

# Sunset Bible Camp

November 2007

Dear Christian Friend,

We would like to thank you for your support of Sunset Bible Camp. It is because of your generosity and love for the Lord that we can maintain this wonderful facility.

Last month, we held a retreat for singles. It was a great way for single people to worship with others. My family helped by cooking and serving the meals. We also had a Middle School Retreat for Sandusky Avenue Christian Church. It is important to be able to use the facilities at Sunset Bible Camp year round as this helps us to raise funds to operate.

I have compiled a list of work projects that are needed around the camp before next summer. The skills required for these work projects are **Plumbing, Carpentry, Drywall, Painting, Electrical, Glass, Cleaning, and General Maintenance.** If you know of someone in your church that has one or more of these skills and the desire to help us out, please contact me, or have them contact me to find a specific project and to schedule a time when it is convenient for them to come out to Sunset Bible Camp. I want to stress to you how important Sunset Bible Camp is to our young people. They are making decisions for the Lord here. You are a making an impact in their lives by supporting Sunset with your finances and your time.

As the end of the year nears, we wish you a wonderful Christmas holiday. If you would like to make a year end gift to Sunset Bible Camp, it would be greatly appreciated. This past summer over 700 young people benefited from church camp. Your gift will ensure that we have a camp that is ready to meet the needs of our youth, in 2008. Please let your congregation know that Sunset Bible Camp is another alternative for year end charitable contributions.

As my family and I continue to visit with the different churches, please let me know if there is a specific date that you would like me to come out and visit with your church. I would like to let each and everyone of you know how grateful we are for your support and the difference it is making in peoples lives.

**PLEASE POST THIS  
FOR ALL TO SEE**

In Christ

Eric Hupp
