

# Sunset Bible Camp

December 2007

Dear Christian Friends

I want to thank you for supporting **Sunset Bible Camp**. It is because of your faithful giving that we can maintain this facility for the glory of God.

It has been an exciting month here at **Sunset**. We have started to work on the things that need to be fixed before the camp season. We have been contacted by some of the people who want to work with us this summer, and we also have a commitment from three volunteer couples from the ministry of **S.O.S.** (Servants of Our Savior). They will come here to work in April and May. There is a lot of work to be done, but with God's help, and yours, we will be ready to meet the spiritual needs of our youth.

The ice storm that hit Oklahoma really did a number on the beautiful trees around the camp. It was truly eerie to listen to the breaking branches as they hit the ground. On one occasion I could not count to five without hearing the crack of the limbs as they broke off the trees. The Hupp's are getting "broke in" to Oklahoma real good. We were out of power and water for six days and the camp sustained extra expenses due to the storm. The good news is we saved on electricity this month. **Sunset** bought a large generator for **\$1,100** dollars. There were no generators in our area so I asked my Dad to purchase one in Pampa, TX. I met him in Elk City to pick it up. Also the pump on the main well went out after the electricity came back on, and that was **\$2,600** to replace. When it rains, it pours. "I know now, Sometimes it freezes after that!" I know that many of you also incurred extra expenses, but if you are able to help **Sunset Bible Camp** with any funds to help offset this cost, they would be greatly appreciated.

My family and I continue to visit with the camp's supporters and we are truly grateful for all you do for **Sunset Bible Camp**. We wish you a blessed New Year.

In Christ
