

# Sunset Bible Camp

March 2008

Dear Christian Friends

Thank you for partnering with **Sunset Bible Camp**. Your support allows us to meet the needs of our youth with the saving message of Jesus Christ. Church camp is an important influence in the spiritual lives of our children and your prayers and financial support permits this to happen.

The month of March has been productive. **Wow!** What a blessing **River Oaks Christian Church** was this last month. They had a crew out for spring break. They rebuilt two of the outdoor shelters that really needed a freshening up. They installed new seats and finished them up with a coat of paint. One of the shelters needed a section of roof replaced so they replaced and shingled that section. There were also other repairs done around the property. They fixed the bathrooms in the King's Dorms and did some of the dry wall work. The group bought all the materials for the repairs so they were a double blessing to us.

Sunset hosted a couple of retreats this past month and now we plan to get ready for the summer camp season. **There is less than 55 days until the summer camp season!** The Sunset pool is ready for the kids this year thanks to a \$1000.00 grant from Indian Electric. The pool pump had gone out last summer and it was a mess. We still have many small projects that need to get done before camp starts. If you head over to the web site and see a project you might want to knock out give us a call. Many have begun to register on-line and we encourage you to do so and take advantage of registering 30 days before your camp start date and taking \$30 off the registration cost. Also remember all adult workers must fill out and mail in their **Adult Sponsor Registration Form**. The form can be downloaded off the web site or call us and we will send you some.

Please keep us in your prayers as we get ready for our first camp season. We appreciate you and all you do for **Sunset Bible Camp**.

In Christ

**Galatians 6:9** says "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."
