

Sunset Bible Camp

Summer 2008

Dear Christian Friends

What an awesome summer it has been. We have just completed our summer camp season and it was truly a marvelous time. Camp started with 2nd Grade Camp and Jeff and Shannon Congdon were the Deans. They had 61 children attend and it was a great introduction for the little ones. They will know what to expect when they come back to spend the night at Sunset next year.

High School camp followed and Jason Canady and Jimmy Foreman were the Deans for this week. They had an impactful week for the students. There were two baptisms during High School week and one young woman from Eastern Heights Christian Church made a commitment to full time ministry. There were 173 young people during this week. The high school kids had their annual Tin Man run, and though it was close, the record wasn't broken. Everyone had a good time. The Deans for 7th and 8th Grade week were Bryan Champ and Kyle Rodell. They had 145 campers registered and one baptism during this week. It is exciting to witness so many lives being touched and changed for Christ.

Vicky Cope, Michelle Leekley and Dawn Moss were the Deans for the 3rd and 4th grade and 5th and 6th grade camp. The Deans had many activities planned for the children and it was very well organized. There were 159 campers at 5th and 6th grade camp of which 3 were baptized here at Sunset. Four more young people wanted to be baptized in their home church and we know you had a blessing on Sunday morning when you witnessed the new birth. The 3rd and 4th grade campers totaled 161 and one girl was baptized at Sunset.

My family and I have been blessed by Sunset Bible Camp more than we can say. Wow, what a place! Your children were wonderful to have and we know that many young people made decisions for the Lord that they shared with you in your individual churches. The campers raised \$3837.26 for missions during the four weeks, and because I was supported by churches and individuals as a missionary for the last ten years, I can say from experience that this support will be encouraging and greatly appreciated by the missionaries that will receive it.

Thank you so much for your support. Sunset Bible Camp is here because of your financial support and prayers. **These 699 children's lives have all been changed forever because of your generosity. Thank You! This ministry cannot exist without you.** God Bless you and we'll keep you updated on the rest of the summer.

**Your giving!
Gave the WORD of GOD!
To our children!**

In Christ
