

# Sunset Bible Camp

December 2008

Dear Christian Friends

We want to wish you a wonderful and prosperous New Year. It is our hope that the Lord richly bless you in 2009. **Sunset Bible Camp** appreciates all you do for this ministry and have to tell you that we could not exist without you.

The camp was quiet during the month of December, and this gave Elizabeth and I an opportunity to do small repairs around the grounds. There is always something to be done here. We're getting the camp ready for the retreats this winter and spring. Which reminds me, there are still a couple of weekends open this spring if any of you want to plan a retreat here at Sunset. You can fix your own meals, or let us fix them for you. Our desire is that you enjoy **Sunset Bible Camp's** facilities and grow closer to the Lord.

Recently we sent you a flyer challenging you to help us raise the funds for the **Aqua Jump Water Park Toy**. There has been a little bit of a response, but we still need most of the \$4000 needed to purchase this fun toy for our campers. We have visited with many of the churches that support the camp and we usually hear of a funny story or two regarding how much you enjoyed "The Blob". **PLEASE HELP us raise these funds. These types of things are a real draw to the young people of today.** We want the 2009 Camp season to be fun, safe, and productive in the spiritual lives of the children that come to camp. We also want to reach as many young people as we can for the Lord. You can download extra copies of the flyer for this project from the homepage of the website.

Thank you for the role you play in changing the lives of so many young people for the Lord. Church camp is important and you acknowledge that assessment with your prayers and financial support. **We truly, truly appreciate you.**

**Colossians 3:23** says, **"Whatever you do, work at it with all your heart, as working for the Lord, not for men."**

In Christ
