

Sunset Bible Camp

Summer 2009

Dear Christian Friends

As the sun sets on Sunset Bible Camp's 2009 summer season we want to let you know of the awesome time that we had. Camp started at the end of May and for the last ten weeks we have had camps at Sunset. Many lives have been changed and many decisions made. This cannot happen without your faithful support.

This year was the year of the Orbit and your youth raised funds to purchase the new water toy for the lake. The Orbit was a big hit and the first to get to use it was the 2nd Grade Day Camp. The 39 children who attended this camp had a blast on the trampoline and they patiently waited their turn to get on. Stony Capehart was the Dean for this camp.

The High School camp was next and Jimmy Foreman and Shane Allen were the Deans. There were 115 campers. 7th and 8th Grade camp was held during the third week of camp and Kyle Rodell and Lane Moss were the Deans. There were 148 kids for this camp. Jimmy Foreman of Sandusky Avenue Christian Church brought a group of kids to these two weeks of camp that had never attended church camp. What a great opportunity to introduce Jesus to some of these kids. There were many decisions made and three young people were baptized during high school camp and three during 7th and 8th grade. 5th and 6th Grade camp followed and Matthew Broaddus and Josh Adsit were the Deans not only for this camp but for 3rd and 4th Grade as well. These guys were amazing and the kids and adults had a fabulous time. We are still hearing stories about Extreme Sundaes. The kids were covered with ice cream toppings from head to toe and were not shy about giving any adult in sight a great big hug. These kids had fun and more importantly they learned about the Lord. There were 143 5th and 6th grade campers and 15 were baptized at Sunset. There were 165 campers at 3rd and 4th grade camp and 4 were baptized at Sunset.

After our weeks of camps there were six more groups that came out at different times. It was great to see other people enjoying our wonderful facility praising the Lord and making decisions for Him. Many more people were baptized and we heard lots of rededications and baptisms to happen in home churches following these camps.

The summer was wonderful and we thank you for your support and prayers.

In Christ
