

Sunset Bible Camp

October 2009

Dear Christian Friends

With fall upon us, we are grateful to you for helping with the up keep of this facility. The prayers and financial support you give benefit more people than you can imagine. Your gifts help the young people and adults who come to **Sunset Bible Camp** grow closer to the Lord.

The month of October brought many of our member churches to **Sunset Bible Camp**. It is great to have youth and adult groups enjoy the beautiful fall season. The ladies of **Cedar Ridge Christian Church** came out for their Stamp Camp and are already planning next year's camp. **Osage Hills Christian Church** had their Leadership Retreat. The men had their meals prepared by us and enjoyed the fireplace in the dining hall. Jimmy Foreman and Steve Johnson brought their youth on two different occasions. They first brought the **High School** group for their yearly fall retreat. The **Jr. High School** kids came out the last weekend of October and several of the boys from Sandusky swam across the lake. These guys are warming up to be part of the Polar Bear Club. The weather was sunny, but it was chilly.

The annual board meeting was held on October 26th. We are thankful to all who came out to tour the camp and to find out about the improvements being made. The tentative dates for next year's camp are on the website and we encourage you to visit the site at www.sunsetbiblecamp.org to see if you would be available to help out next year's camp season. You will have a very memorable time and grow closer to the Lord.

Our prayer is that each group that comes out to **Sunset Bible Camp** will find peace and nurture a closer relationship to the Lord. **Sunset Bible Camp** gives the people who come out an opportunity to leave their worldly problems behind and just enjoy the beauty that God created.

Psalm 24:1 "The earth is the Lord's and everything in it, the world and all who live in it."

In Christ
